## Representative Lesil McGuire

FOR IMMEDIATE RELEASE: December 8, 2006

As you can imagine, my family and I are devastated by the events that occurred yesterday. I believe in my husband and his innocence and I am thankful that we live in a country where citizens are innocent until proven guilty.

The allegations against Tom involve alleged conduct that occurred before we were married. I am not and have not been a target of any investigation and I maintain a firm belief in my husband's innocence and request that the public withhold judgment until the judicial process has run its course.

My family and I deeply appreciate the support from colleagues, friends and neighbors during this stressful time.
